nurses. He said he couldn't divulge
info & I/m asked Mr. B (then) to be
guided in the right direction B was
told to "speak to your lawyer".
So she called IDS (indigent) & was
told that after 1 month she still has
no lawyer. I was told to call back @
1 - no lawyer. Call back @ end of
day.

- Asked to speak to Olson & was told she
will give you the same answer. Next
walk Arville was told Olson was
"busy".

- So I/m emergency "barged", Mrs. B answered
I/m demanded to see a LT or a sheriff
now please. Next walk Mr. B said he
went to get Monge but he was also "busy".
11:45 Mr. B did his walk & let I/m Aldrich know
he was trying. His ?'s give clear indication
the grievance was never even logged in.

beaten up & tazed in the chest repeatedly.
There were nurses & guards BOTH waiting
to haul him away too without response
from judge or closure @ all. I/m was
immediately escorted away from video
& back to SH.
